Students must take 7 semester hours of
 elective courses of choice in any of the
 major content areas.

A total of 59 semester hours are required for the pre-nursing curriculum. Hours may vary by institution. If hours total less than 59, an additional course(s) must be taken. Medical Terminology is suggested, however, additional hours in any of the five categories will be considered.

* Students may easily earn an Associate in Arts (AA) degree from Black Hawk College (60 credits). Consult with a BHC advisor for course suggestions that meet AA requirements.
